The evolution of love has been a long and winding road, but the story of Giulia and Phillip Carter is a love story that has transcended time and space. Their journey began in the heart of a small town in North Carolina, where they met as teenagers. They were drawn to each other by a shared passion for art and a desire to make a difference in the world. Their love story is a testament to the power of art and the human spirit.

CHROMA
BY BOB GARDIN

'Oh, the Hugh-manity!'

Artist Kelly Williams creates vibrant, colorful art that celebrates the spirit of the LGBTQ+ community.

IT TAKES SOME skill to be able to create vibrant, colorful art that celebrates the spirit of the LGBTQ+ community. Kelly Williams, a self-taught artist, has spent years perfecting her craft. Her work is a vibrant celebration of life, love, and the human spirit. She has exhibited her work in galleries and museums across the country, and her art has inspired many people to embrace their true selves.

ADVERTISING

People who support the arts enjoy the finer things in life, and *Artistry* serves as their guide to arts and culture in Central Florida. The official publication of United Arts of Central Florida, *Artistry* is produced five times a year by Winter Park Publishing Company. Each issue covers the best in local dance, music, film, theater, visual arts and special events. The magazine also includes articles about home décor and artful shopping and dining and personality profiles of artists and leaders in the arts and culture community.

ADVERTISING SPECIFICATIONS

Document Construction

- All ads should be constructed using CMYK graphics and colors — no PMS colors or RGB images. Resolution of graphics should be 300 dpi and they should be placed at 100%.
- **Full-page ads:** Ad should be built to trim size. If ad is to bleed, background image must be extended an additional 0.125" beyond the trim size on all four sides. Live area should be 0.25" inside the trim size on all four sides. Spreads should be supplied as spreads, not as individual pages. Proof should include bleeds only, no cropmarks.
- **Partial-page ads:** Ad should be built to trim size; partial-page ads do not bleed. If an ad does not have a defined edge, a border may be applied at the publisher's discretion.

Digital Formats

- PDF/X-1a PDF is the preferred format for file submission. All high-resolution images must be included and fonts embedded when the high-resolution PDF file is saved.
- TIFF and JPG files are also acceptable formats. Resolution should be 300 dpi and color mode should be CMYK. TIFF files should be flattened and fonts embedded.
